

## Document Preparation Services

### General Description

Firm Solutions, Inc. has teamed with NetDirector to offer comprehensive automated document preparation. Loan Servicers — Don't keep your borrowers waiting, turnaround critical mortgage documents in mere minutes!

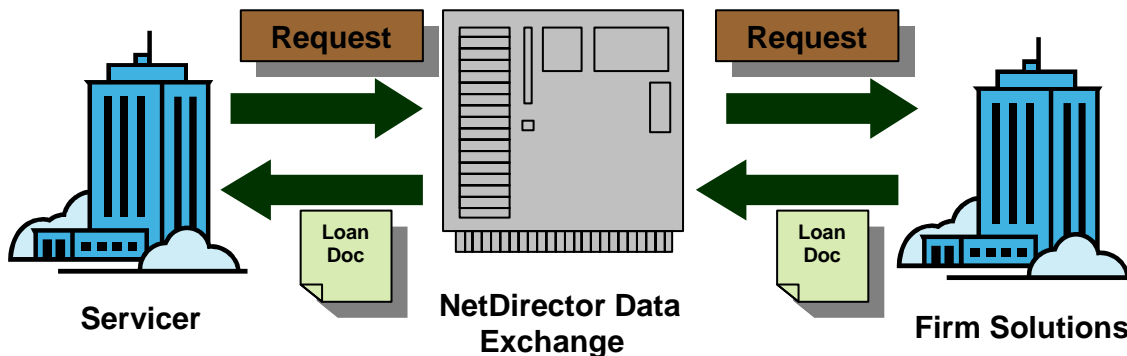

Firm Solutions provides loan document preparation, forms compliance, and recording services. They specialize in Truth-in-Lending Disclosures and Mortgage Modifications including: Balloon Resets, Matured Mortgages, and Loss Mitigation.

NetDirector provides a secure hosted data exchange that enables the flexibility to connect, transmit, transform, and route data from disparate systems.

### Highlights

- Web-based or Auto-Interface Document Requests
- Secure Electronic Delivery of Data and Documents
- Quick Turnaround Time on Any Document
- Guaranteed Forms Compliance
- Recording Services Available

### Process Flow

As an on-demand service, there is no software or hardware to buy, install, maintain, or upgrade. Consumption based pricing includes everything you need, so that unlike traditional software, you aren't surprised later by hidden people and technology costs. For a limited time - Firm Solutions is offering a Try and Buy option. The first 10 transactions are **free** and if you are not 100% satisfied you can discontinue use of this service at no charge.
